EXPERIENCE

Sandbox at Northeastern University Boston, MA

UX Designer | Sept 2025 – Present

Working on Cooper, a platform where students can share co-op reviews, collaborating with developers and designers.

- Designed and prototyped an improved search flow and filter bar, applying user psychology to enhance visual hierarchy and streamline navigation
- Conducted user research and competitive analysis to identify design opportunities and industry trends.
- Communicated design solutions with developers and project lead to ensure alignment across the team.

Zeal Technology Solutions Seattle, WA

UX Designer | Jul 2025 – Aug 2025

Collaborated with a team of three to design and prototype Reading Galaxy, a web platform for parents to track children's reading progress.

- Conducted user interviews, developed user personas and a site map, and performed usability testing to define core user needs and create comprehensive wireframes.
- Designed the Reading Galaxy logo and designed and prototyped a page where parents can access their child's reading summary data through visualized charts.
- Facilitated client communication, sharing design ideas, gathering feedback, and scheduling meetings.

Best Beauty Richmond, VA

Customer Service and Operations Lead | Apr 2023 – May 2024

- Managed front-end operations, ensuring a positive experience for customers.
 - Improved employee satisfaction by updating code of conduct to foster a respectful work environment.
 - Updated business hours of operation with new schedules and readable structure, enhancing customer satisfaction.
